Since He Left Pittsburgh for Chicago Via Philedelphia.

CHICAGO, Ill., Oct. 13 .- Charles Herbert of Pittsburgh, reputed to be wealthy, is missing and to-day his nephew, J. E. St. Clair of Pittsburgh,

nephew, J. E. St. Clair of Pittsburgh, asked the police here to send out a general alarm for him. Mr. Herbert is receiver, assignee and trustee in many court actions. He started for this city a week ago with Joseph N. Phillips of Chicago.

St. Clair told the police that Phillips of Tather died in Philadelphia ten years ago, leaving an estate of half a million dollars and Herbert was named as exacutor. On the recent trip Herbert first accompanied Phillips to Philadelphia, where the latter had planned to get his mother, who was in a hoapital, and remove her to Chicago.

It had been Herbert's custom to communicate with his wife daily by long distance phone when away from Pittsburgh, but she heard nothing from him after he departed on this trip. Nor have Chicago bankers, with whom Herbert had a wide acquaintance, received any news from him. The nephew fears that his uncle has met with foul play.

The girl was a ward of the wife of Congressman J. Hampton Moore and a month

MAN OF MONEY MISSING; ago she came to Philadelphia from a farm in New Jersey, where she always had lived. She had been saving her money and was to have been sent to Perkiomen Seminary. Her father was a United States Army officer. After moving here she worked one week as a waitrees in a cafe and then one week in the University Hospital.

# INTERNAL BATH

Rabbi Joseph Jason, Niagara Falls, writes:

"The original cause of my trouble was a long-standing case of Constipation, dating back to my student days, which the 'J. B. L. Cascade' relieved. Not long ago I back-slid and took some highly recommended laxative, and the effect resulted in my taking a vow never again to take one, but to stick to the Cascade with its always thorough and favorable results."
